

FIG. 1 is a schematic diagram of a multi-layered structure 12. The structure consists of a central core 14 with two rectangular cutouts 20. The core is flanked by two layers 12a and 12b. The outermost layers are 24a and 24b. The thicknesses of the layers are indicated as 26' for the core, 26'' for the inner flanking layers, and 26''' for the outermost layers.
